## Also discussed was :

- Thruxton sponsored walk, we are awaiting a date and more information for this.
- Due to time restraints for organising a summer fair when lockdown has eased, holding a Michaelmas/autumn fair as an alternative. Provisional date for this is 25/09/2021
- Encouraging and promoting the easy fundraising app and also the possibility of joining amazon smile.
- Christmas Cards
- 'Grand opening' of the sensory room - Invite the local paper, cut the ribbon etc

## Treasurer Report

Stephanie Jones informed the group that there is approximately £500 left in the NGFA account, and Mr Day let us know that all the sensory equipment has now been purchased. This came to less than expected so he requested the remaining money to be used for reading pods and shelving in the school library area. This was agreed to by all.

Next meeting to be held on 27/05/2021 at 10am via zoom.
